

3

great things about your wiki project

Your wiki had a good amount of hyperlinks.

The videos were very educational videos because they made the information much easier to understand.

It was an interesting project to read.

2

suggestions for improving your wiki project

Make your videos a bit faster.

Fix up the words that we don't understand like urgency.

1

piece of new knowledge that our group has thanks to your wiki

We learned all about the Nintendo surgeon.
