great things about your wiki project

We understand much more about virtual Worlds than when we started.

We think your writing was very clear and easy to follow.

You have inspired us to find out more about virtual worlds. They sound very exciting.

suggestions for improving your wiki project

On your second video in wiki 3 there is no sound. It is hard to understand what the video is meant to be about. Could you improve this?

On one of your wikis there are no citations yet. Could you please finish them?

1

piece of new knowledge that our group has thanks to your wiki

We learnt extensively about how the virtual worlds are going to affect the real world. We think you have done really, really well.
