

3

great things about your wiki project

Very clear information

Easy to read

Bullet points and lists made it easy for us to see pros and cons very easily to help us decide whether outsourcing is a good thing or not

2

suggestions for improving your wiki project

There was a lot of writing to read and lots and lots of videos to watch. We found it hard to digest all the information at once.

1

piece of new knowledge that our group has thanks to your wiki

We really didn't know much about globalization or outsourcing before reading this wiki. Now we understand why outsourcing can be good for a company but sometimes bad for a country's economy
