

# 3

## **great things about your wiki project**

Information was well organized and labeled.

The videos are very informative.

The diagram is well set out and interesting to see all the programs that they have made.

# 2

## **suggestions for improving your wiki project**

There was a lot of writing and was very hard going.

Lots and lots of videos.

# 1

## **piece of new knowledge that our group has thanks to your wiki**

We have learnt about all the things about Google and what they have made.
