

# 3

## **great things about your wiki project**

- You hyperlinked your words so we could understand.
- Also you organized your wiki very well.
- It's very clever the way you can find easily something that you want. 😊😊😊

# 2

## **suggestions for improving your wiki project**

- We think that you should have had more videos.
- It was a bit hard to understand in some places in your text. 😊😊

# 1

## **piece of new knowledge that our group has thanks to your wiki**

- We learnt that that WWW(World Wide Web) has a huge impact on education. 😊
