## **great things about your wiki project**

We thought it was a good idea to put the meanings in brackets (we could understand the sentence better).

Your groups wiki page was very informative and the video's especially the The one with the stick figure.

We learnt what Web 2.0 is (we never knew what it was).

## **suggestions for improving your wiki project**

There was a lot of writing to read,

# 1

## **piece of new knowledge that our group has thanks to your wiki**
